FACILITIES USE PROCEDURES

Metropolitan Nashville Public Schools has control and supervision of all school facilities in Davidson County School System and grants the temporary use of them to others as provided herein. The principal has custody of school facilities assigned to him/her by the Board of Education and must have knowledge of the group that wishes to rent the facility and must personally approve the organization. Use of facilities by the schools and by school related organizations shall take precedence over all other uses.

Organizations using school facilities shall be responsible for the proper conduct of all persons attending the event, for immediate restoration of school property in event of any damage; and shall be required to sign an indemnification and hold harmless agreement.

Recognized non-profit, civic, and church groups* for single engagements may use school facilities provided that such activities do not interfere with school use and that such use is approved by the principal of the school.

No signs will be permitted on school property for extended periods of time. If a sign is used to promote an event, meeting, church service, etc., it may be displayed 24 hours before the event and must be taken down immediately after the event concludes.
