ADMISSION POLICY

I. INTRODUCTION
Massachusetts state regulations (603 CMR 4.00) require all state-funded career/vocational-technical education (CVTE) schools and CVTE programs at public high schools to develop and implement admissions policies that comply with state and federal law, as well as relevant guidelines issued by the Massachusetts Department of Elementary and Secondary Education and the U.S. Department of Education.

An admission process is necessary for vocational-technical schools where space is a limiting factor. Vocational technical learning spaces are designed and equipped to serve a specific maximum number of students safely. Therefore, to accommodate a safe learning environment, all applications to grades nine through twelfth at Assabet Valley Regional Technical High School (Assabet) will be processed using the criteria contained in this Admission Policy.

II. ADMISSIONS
When Assabet receives more applications than it has available seats, Assabet applies a minimum requirement lottery - applicants must complete 3 required elements (Application, Interview, and Recommendation) to be considered for the lottery to determine which students it will admit. The number of students accepted each year from each of the Assabet Valley RVSD member communities (Berlin, Hudson, Marlborough, Maynard, Northborough, Southborough, Westborough) will be determined by the three-year average of the previous year’s October 1 enrollment numbers that are submitted to the MA Department of Elementary and Secondary Education. For example, if the town of Hudson, shows an average of 50 students enrolled over the past three years October 1 enrollment numbers, then 50 seats would be available to Hudson for the upcoming Admissions school year. If the number of students that apply from Hudson is less, those available seats will be put back into a general pool and will be filled last. This method should ensure that all member communities are represented equally based on their history of enrollment with the school district. The criteria Assabet applies has been approved by its school committee, and the school committee will approve the use of these criteria annually. Assabet’s admission policy is available on the school website and is on file at the MA Department of Elementary and Secondary Education.

II. EQUAL EDUCATIONAL OPPORTUNITY
Assabet does not discriminate on the basis of race, color, sex, religion, age, national origin, ethnicity, sexual orientation, genetic information, gender identity, disability, marital status, veteran’s status, or homeless status.

If a student’s primary home language is not English, Assabet will provide them with an application form in their home language. Please contact our Admissions Office at 508-485-9430 x1250 or email admissions@assabet.org, if you have questions or need help filling out the application form. If there is a student with limited English proficiency, a qualified representative from Assabet will assist the applicant in completing the necessary forms and assist in interpreting during the entire application and admission
process, upon the request of the applicant. Applications are available in English, Spanish, and Portuguese or the current dominant languages of our sending communities. Accommodations for any other linguistic groups will be granted upon request.

Assabet is committed to providing educational opportunities to students experiencing homelessness. Please contact the Director of Pupil Personnel at guidance@assabet.org, 508-485-9430 with any questions. Students with disabilities may voluntarily identify themselves to Assabet to request reasonable accommodations during the application and admission process. In these circumstances, accommodations will be granted upon review.

Neither a student’s disability nor the primary language of their home will have any effect on their admission to Assabet.

Consistent with Massachusetts regulations, Assabet has created a plan with “deliberate, specific strategies to promote equal educational opportunities and attract, enroll, and retain a student population that, when compared to students in similar grades in sending districts, has a comparable academic around the demographic profile.”

- Attend Community Events-local fairs, festivals, and events
- Community Outreach-reach out to local organizations serving students and families
- Run and host the Feira da Familia- connecting multilingual resources for multilingual families in our communities.
- Implement strategies created by the Admissions Data Action team annually -after review of most recent data.

Applicants from these communities who meet the minimum admission requirements are admitted before any non-residents seeking the same program.
