Nutrition Services will provide sack lunches for field trips when students will be absent during serving time and this form has been submitted. Sack lunches comply with the same nutritional guidelines of the National School Lunch Program that apply to the traditional lunch served at school. Students' meal accounts will be charged as with the traditional lunch and no additional payment is necessary.

Dear Parent or Guardian:

It's hard to believe it is May already! Your students have been working very hard maintaining their Cougar PRIDE at FMS and we want to provide an opportunity to celebrate their great work. On **Monday May 22nd** we will be taking a field trip to Highline Lake in Loma.

We will be loading the buses at approximately 9:30 am and ending our day back at FMS at 2:30. We ask that students bring food and water with them as they need throughout the day. While at the park, students will be able to swim, play volleyball, and celebrate their hard work with friends and teachers. Students need to make sure they dress accordingly and whatever items they choose to bring with them will be their responsibility. Sunscreen, towel, extra water, and a change of dry clothes are recommended.

Please complete and sign the *Field Trip Permission Form* attached with this letter. We **MUST** have this form signed by a parent or guardian in order for your child to attend our trip. While the entrance to the park is free, we will need payment for the buses. Please also send the \$10.00 with your child at your earliest convenience. The money will help pay for small snacks and bus transportation. Scholarships are available if needed. The due date for money and permission slips are **Tuesday May 16th**. ***Parents are highly encouraged to join us and celebrate your students. Please make sure you have signed the volunteer paperwork in the office (if you have not already done so). Parents will need their own transportation to the park and will need to pay for a day entry pass which is \$10.***

If you feel inclined to contribute some extra funds for those who cannot afford to pay the full fee, you may send it with your child as well. Any monetary donations are welcomed and greatly appreciated.

If you have any questions or concerns feel free to contact us.

Respectfully,
